LET YOUR VOICE BE HEARD!

Are you a Black Woman of Transgender experience
who has survived discrimination or violence?

If you are 18 or older,
please contact us to see if you are
eligible to participate in our research:
TransConnect408@gmail.com
(678) 615-8820

We are working on a research study
to explore discrimination and mental
health among Black transgender women.

Participants will receive compensation.

#ProtectTransWomen

For information on future studies:

YOUR VOICE MATTERS.

Are you a Black Woman of Transgender experience
who has survived discrimination or violence?

*If you are 18 or older,
please contact us to see if you are
eligible to participate in our research:*

*TransConnect408@gmail.com
(678) 615-8820*

We are recruiting participants for a clinical
trial to study the impact of a community-
based intervention to improve mental health
among Black transgender women who have
survived violence and/or discrimination.

Participants will receive compensation.
